3. [REDACTED] LIAISON As agreed, Michael J. Hershman, Deputy Staff Director, Subcommittee on International Organizations, House International Relations Committee, called me in the course of this morning. I advised him that I had been in touch by telephone with Mr. John H. Richardson, [REDACTED] and that Mr. Richardson will make travel arrangements which will bring him into Washington sometime Sunday, 22 May. Mr. Richardson and I will be getting together in the early morning of 23 May. I consequently suggested that the interview of Mr. Richardson should take place here either the afternoon of 23 May or at a convenient time during 24 May. Mr. Hershman may have a conflict and he agreed to get back to me after he checks.

4. [REDACTED] LIAISON J. J. Hitchcock, Department of State, called me to ask for our decision with regard to a Department of State memorandum (drafted on principally CIA information) which Mike Epstein, Senate Select Committee on Intelligence staff, wants to see in the unsanitized version. I had lodged this query with the DDO on 25 April, but found that a decision has not yet been reached. I so advised Hitchcock and told him I would let him know as soon as the DDO had decided. I also told Hitchcock that, if he finds time to stop by and see me at his convenience, I will be pleased to pass to him a copy of our 20 April reply to Chairman Daniel K. Inouye's (D., Hawaii), Senate Select Committee on Intelligence, letter requesting [REDACTED] information. Hitchcock thanked me and said he would come in one day in the following week.
